North East Lincolnshire Council
Family Hub Cluster Areas
Cluster 1 – Central will become part of the East Marsh cluster where the team of staff will work across the cluster. This may mean that some services are delivered from East Marsh Family Hub and some may be delivered from other venues such as Central, Strand outreach or local schools. It will mean that you will be able to continue to attend activities at whichever venue is best for you. You may find that certain activities are delivered across the cluster and not from each venue.

Cluster 1 – Central and East Marsh
1,954 0 to 4 year olds
2,681 5 to 15 year olds
4,635 Children in total
Cluster 2 – Immingham Family Hub will be part of The Wolds cluster where the team of staff will work across the cluster. This may mean that some services are delivered from Immingham and some may be delivered from other venues such as the Humberston and Healing outreach or local schools. It will mean that you will be able to continue to attend activities at whichever venue is best for you. You may find that certain activities are delivered across the cluster and not from each venue.

Cluster 2 – Immingham and the Wolds
1,754 0 to 4 year olds
3,823 5 to 14 year olds
5,577 children in total
Cluster 3 – The Queensway and Riverside family hubs will be part of the West Marsh cluster where the team of staff will work across the cluster. This may mean that some services are delivered from West Marsh Family Hub and some may be delivered from other venues such as Queensway or Riverside which will both become outreach children’s centres or local schools. It will mean that you will be able to continue to attend activities at whichever venue is best for you. You may find that certain activities are delivered across the cluster and not from each venue.

Cluster 3 – Queensway, Riverside and West Marsh
2,124  0 to 4 year olds
2,994  5 to 14 year olds
5,118  Children in total
Cluster 4 – Broadway and Scartho family hubs will be part of the Nunsthorpe & Bradley Park cluster where the team of staff will work across the cluster. This may mean that some services are delivered from Nunsthorpe & Bradley Park Family Hub and some may be delivered from other venues such as Broadway and Scartho who will become outreach children’s centres, Woodlands outreach or local schools. It will mean that you will be able to continue to attend activities at whichever venue is best for you. You may find that certain activities are delivered across the cluster and not from each venue.

Cluster 4 – Nunsthorpe, Scartho and Broadway
2,120 0 to 4 year olds
3,779 5 to 14 year olds
5,899 Children in total
Cluster 5 – Highgate will be part of the Reynolds cluster where the team of staff will work across the cluster. This may mean that some services are delivered from Reynolds Family Hub and some may be delivered from other venues such as Highgate which will become an outreach children’s centre. It will mean that you will be able to continue to attend activities at whichever venue is best for you. You may find that certain activities are delivered across the cluster and not from each venue.

Cluster 5 – Reynolds and Highgate
1,925 0 to 4 year olds
3,024 5 to 14 year olds
4,949 Children in total
